## Who We Are:

EverCare@Home is a domiciliary care company covering the North West of England with over 15+ years experience in care services. We offer services to help people of all ages and abilities to promote their independence to enable them to live in their own homes.

At Evercare@Home, we're dedicated to providing compassionate, personalised care that helps people live independently and comfortably in their own homes. Serving communities across the North West, our team of skilled Care Experts offers tailored support designed around each individual's unique needs and preferences.

We believe that everyone deserves to feel safe, valued, and supported — whether that's through practical assistance with daily tasks, specialist dementia care, or simply being a friendly companion. With training, professionalism, and a genuine commitment to quality, we strive to make a positive difference in the lives of those we care for and their families.

Evercare@Home is more than just care — it's peace of mind, delivered with kindness and respect.
